BIRTH RECORDS

OF

DEFIANCE COUNTY, OHIO

July 1, 1867 - December 19, 1908

A - D

Compiled by
Fayne E. Harter
Grabill, Indiana
December 1973

18 2

The earliest records were made by doctors, ministers, and sometimes parents. Later records were made by the Assessor of the Townships. For recorded birth in other Counties or States, the parents have moved into Defiance County within the year.

There are many obvious errors in the record, but I've copied them just as written. The maiden names of the mothers was not given until several years after the assessors began taking the records--and they were not all the same year. I have omitted the mother's surname whenever there was a number of the same names as the husbands.

New Registration means there never was a birth record and one was established through a Court Order. Correction means errors were corrected in the original record through a Court Order. The information given under the parents names in the Court Order is the age, place of birth, and occupation of the parent at the time of the birth.

Birth Record Book 1, #414 was not legible. It is given below:

-----ard, Ada
female, white
bp Noble twp.

These are all the births records that are in the Probate Court of Defiance County.
